

Just Four Weeks to Go - How Can We Help You Get There?

Leading the Way

Excitement is mounting ... only four weeks until the FM community descends on Wellington! If you haven't yet signed up for **the FM event of the year**, what are you waiting for? Over 200 of your peers have registered and in doing so have made an investment of time and money in their professional development, and a commitment to the industry as a whole.

Having said that, we are aware some of you are struggling to get your organisations to sign off on leave/budget to attend. If a letter of support from our CEO and/or a template funding request outlining the value of the Summit to your professional development and your organisation would help, please don't hesitate to contact Gillian at [ceo@fmanz.org](mailto:ceo@fmanz.org). We're here to help. If you just haven't got around to it, [click here](#). You don't want to miss out!
