

Ata mārie. What a fantastic two days we had at FM Summit this week, with record numbers of delegates and exhibitors and one fantastic speaker after another! Not to mention a cracker of a night on Tuesday paying homage to four FMANZ Award winners, five Fellows and four service award winners. It was so great to be together again in one place. Here at FMANZ, we're a tad tired but very happy FM Summit 2021 went off so well. We'd love to hear what you liked and didn't like so please complete [this short survey](#) to help us plan for next year. And sponsors and exhibitors - here's [another survey](#) for you.

If you'd like to refresh your memory with notes, or missed a session, we have uploaded speaker presentations to the Member Resources page on the FMANZ website under 'FM Summit'. We also have over 600 photos for you to view, download and share, but these are taking a wee while to upload so we'll get that link to you on Monday.

Kia pai tō rā whakātā,
The FMANZ team

Congratulations to Our 2021 Award Winners and Recipients

Marius Nortje - Facilities Manager of the Year

FMANZ's 2021 Facilities Manager of the Year is Marius Nortje, Field Operations Manager – Projects & Building Services with UMS NZ. In nominating Marius for the Brian Happy Award for Facilities Manager of the Year, Malcolm Allan Country Manager of UMS wrote many, many positive things but in summary, he said, "Marius is the epitome of what a good FM should be. Tasked with managing an incredible number of assets and facilities – from community halls and campgrounds to New Zealand's largest swim centre – he takes it all in his stride. He demonstrates the unusual mix of both big picture strategic thinking and an eye for detail. In two years, Marius has managed multi-million-dollar projects, doubled the revenue of his division, fostered a motivated team, and never let delivery standards slip."

Congratulations to Marius and our other finalists - Chris Jewell, Facilities Manager with CBRE and Tracy Massam, Asset Manager with Tāmaki Regeneration Company (TRC). Marius is pictured here with FMANZ's 2020 Facilities Manager of the Year Simi Mukherjee who presented Marius with his award at the Gala Awards Dinner on Tuesday night.

Steve Paulson - FM Young Achiever of the Year

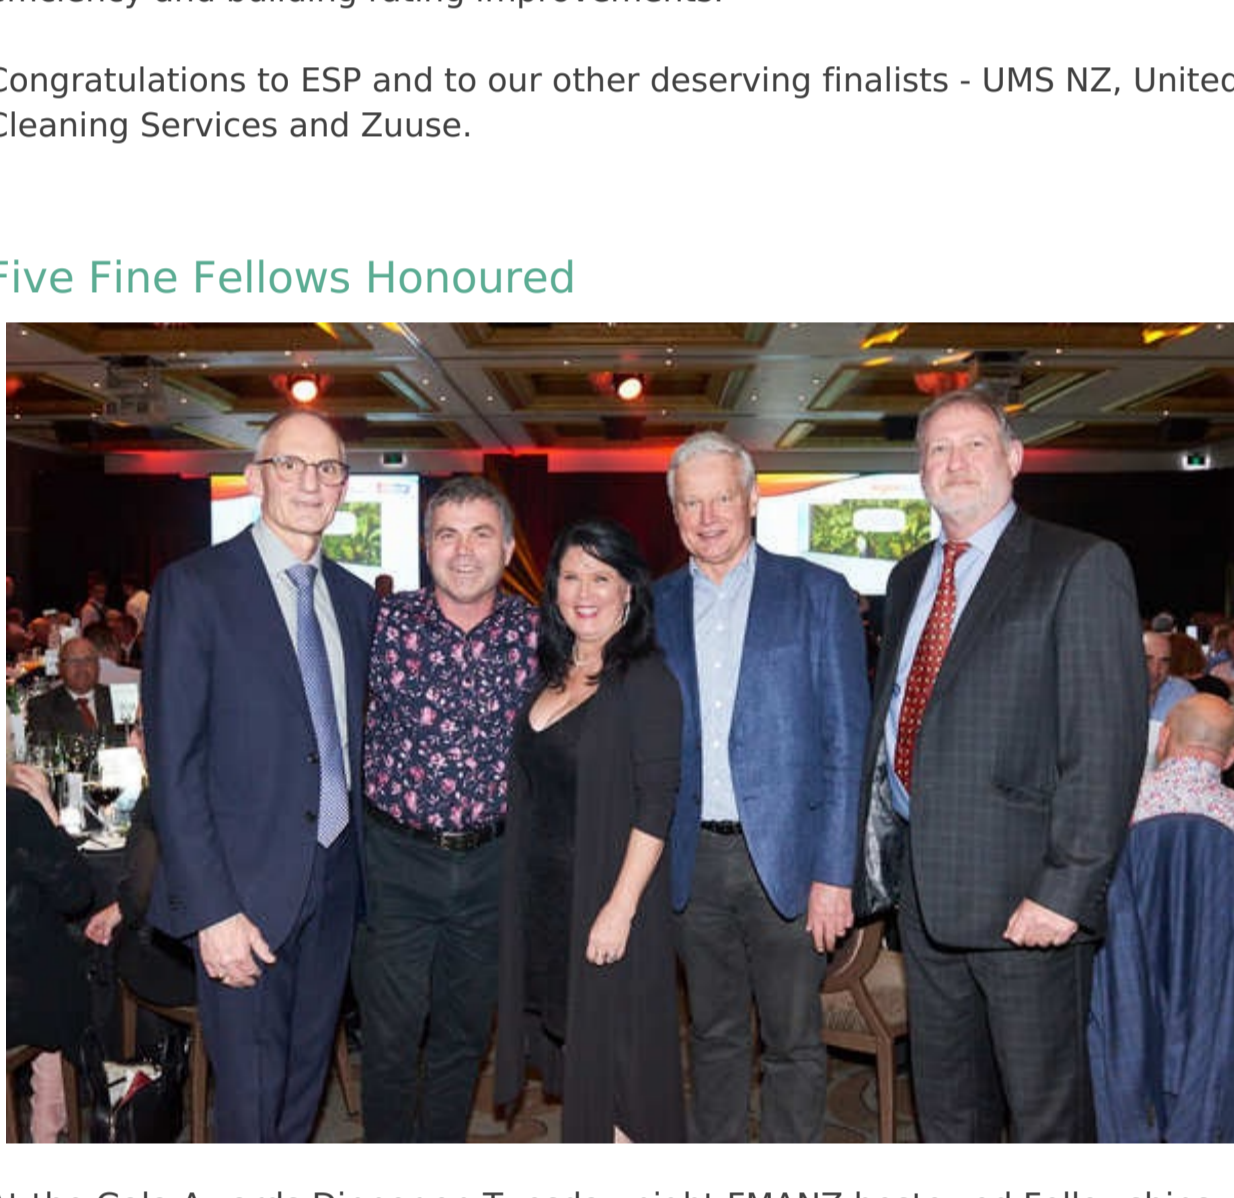

FMANZ's Young Achiever of the Year is Steve Paulson, Auckland Contract Manager with Citycare Property. In nominating Steve, Peter Lord Chief Executive of Citycare Property said, "Steve demonstrates a strong leadership ethos with the growth and development of our future leaders being a central part of his role, not just for Citycare, but also as a broader contribution to the FM sector. He genuinely cares about the business and the people in the business – staff, customers and users of the facilities we manage. This means his focus is firmly on the delivery of excellence, with that commitment reflected in the feedback received from his colleagues, and about his work and delivery."

Congratulations to Steve and our other Young Achiever finalists - Marcus Flux, Facilities Coordinator with CBRE; Emma Lovett, Facilities Management Contracts Manager for PAE (NZ); Kim McCormick, Facilities Manager with Colliers New Zealand; and Davie Nonoa, Facilities Manager with Cushman & Wakefield.

Steve was presented with his award by Jonathan Jepson, a long-serving member of the awards and summit committees, and one of the founding members of FMANZ.

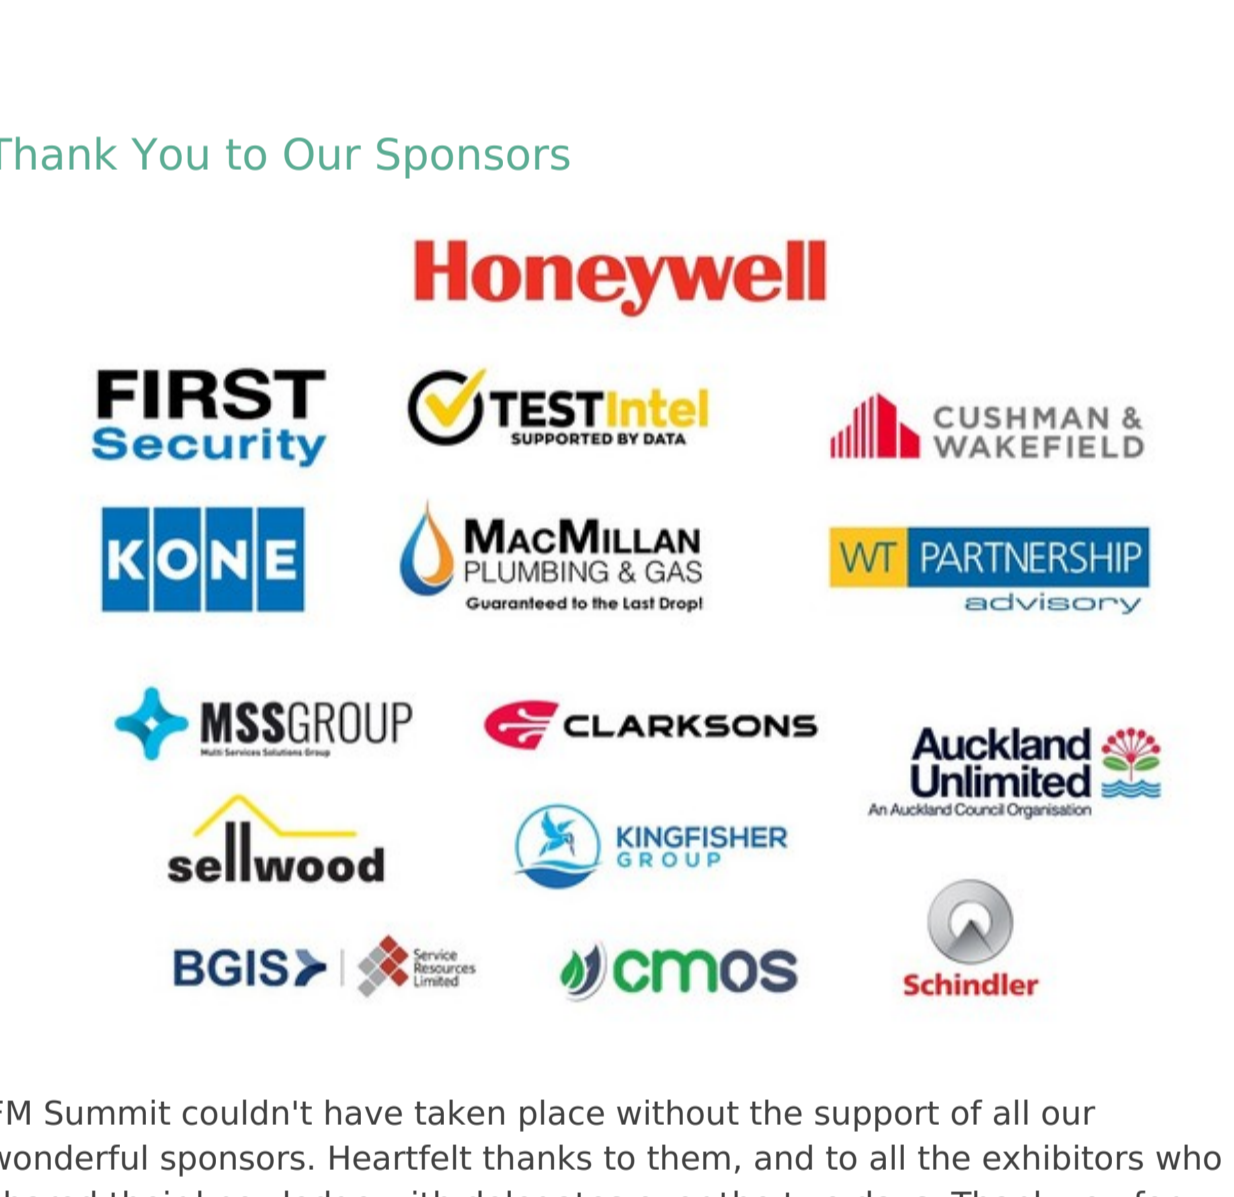

Colliers NZ - FM Team of the Year

Congratulations to Scott Thomson and the Z Energy FM Team within Colliers Corporate Solutions who took away our inaugural FM Team of the Year Award. The team is responsible for managing non-fuels facilities and asset management for Z Energy over 198 retail sites spread throughout New Zealand, alongside corporate offices in Auckland, Wellington and Christchurch. The Z Energy FM team delivers exemplary service, with a contract transition described by Z Energy as being one of the smoothest in the history of the organisation. Excellent transition planning and working closely in partnership with over 40 existing and new service partners ensured that the team was able to provide uninterrupted service for Z Energy when the contract commenced in November 2020.

Congratulations also to finalists Programmed. Pictured here with awards committee chair John Hutchings are Tommy Webb, Kim McCormick and Scott Thomson.

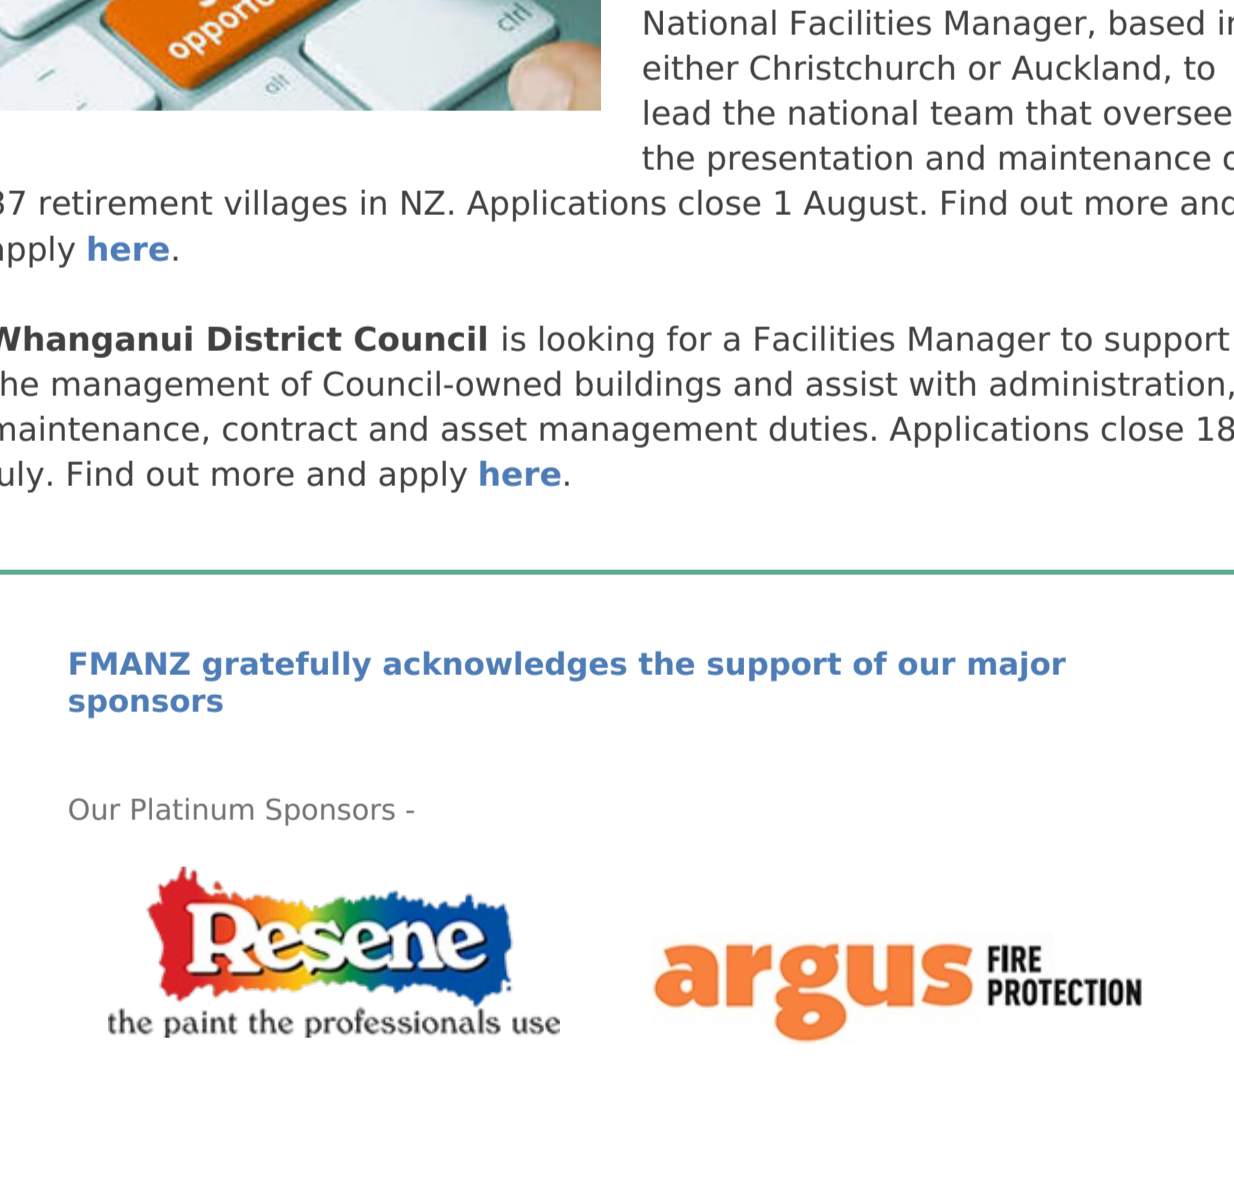

ESP - FM Service Provider of the Year

Congratulations to ESP, our 2021 FM Service Provider of the Year. Energy Solution Providers (ESP) has a standout history of supporting facilities managers to achieve positive outcomes for stakeholders. ESP continuously monitors over 900 sites for energy and water efficiency, measuring 774 GW/h of energy – the equivalent to 71,000 houses – and two million cubic metres of water, saving over \$43 million in costs and avoiding 54,000 tonnes of carbon emissions. ESP has accelerated investment in its technology and specialist capability to deliver further value to clients with new services, helping them be more productive and take the lead in planning, optimising and reporting on the value generated through sustainability, energy efficiency and building rating improvements.

Congratulations to ESP and to our other deserving finalists - UMS NZ, United Cleaning Services and Zuuse.

Five Fine Fellows Honoured

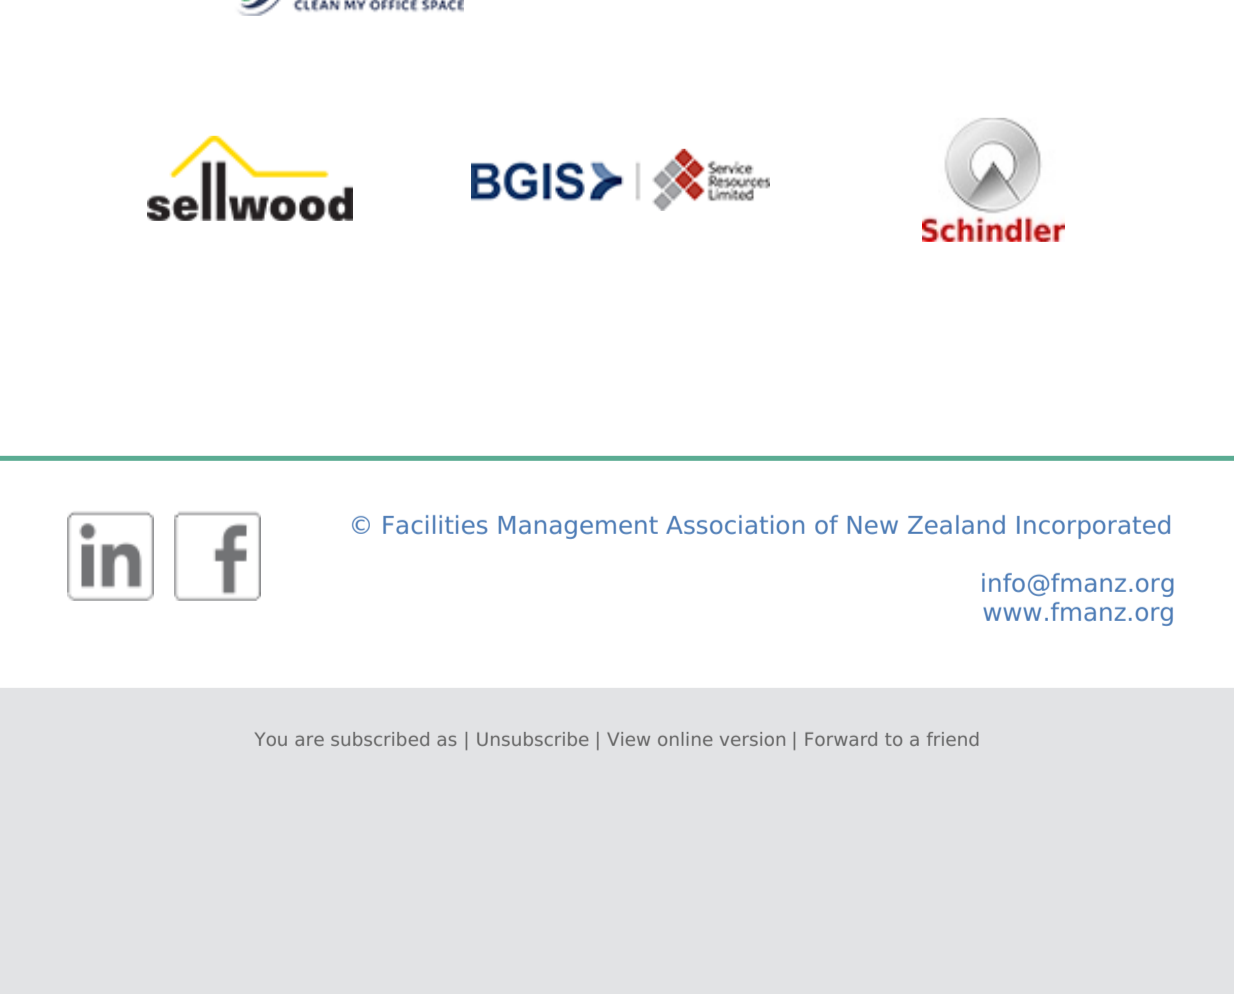

At the Gala Awards Dinner on Tuesday night FMANZ bestowed Fellowships on five highly deserving members. Our highest honor, a Fellowship acknowledges highly distinguished and valued service to the association and also acknowledges a recipient's dedication to the FM profession, professional standing, personal qualities, and ethics. Congratulations to Bruce Kenning FFMANZ, Anthony Van Meer FFMANZ, Delwyn Miles FFMANZ, Warren Smith FFMANZ and David Curry FFMANZ.

Dedication and Service Acknowledged

On Tuesday night CEO Gillian Wess acknowledged and thanked four members who have worked tirelessly at branch level, awarding them with a Branch Service Award. Congratulations to Rory Chacko from the Auckland Branch (pictured left), Richard Wilson from the Otago Branch (pictured right), Paul Clough (Otago Branch) and Maree Le Comte (Wellington Branch).

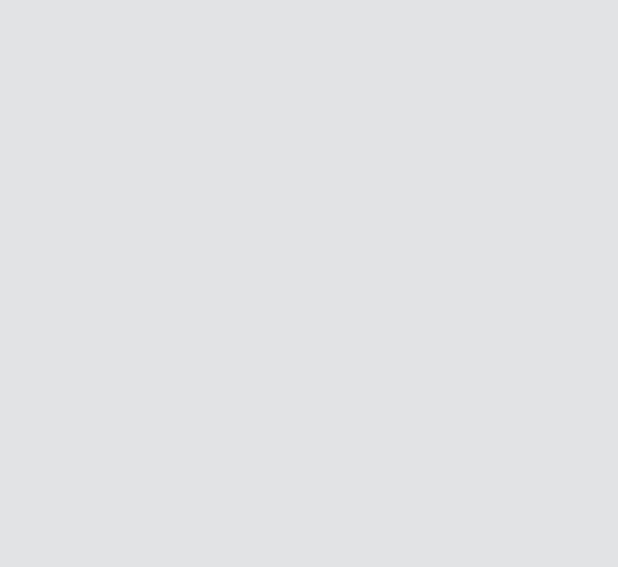

Thank You to Our Sponsors

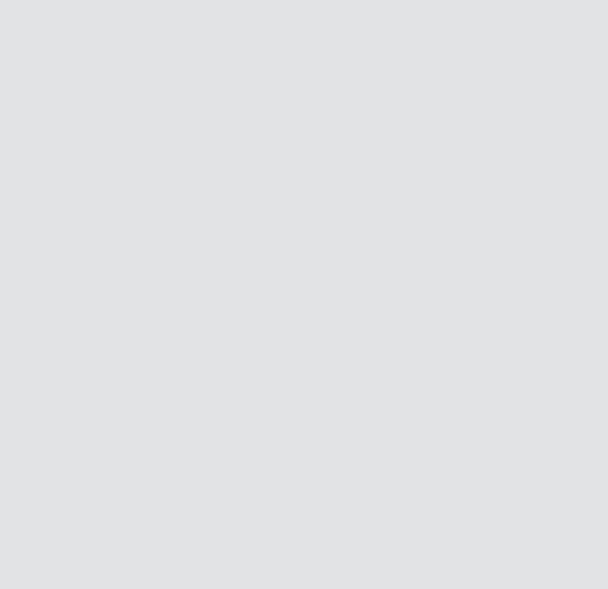

FM Summit couldn't have taken place without the support of all our wonderful sponsors. Heartfelt thanks to them, and to all of the exhibitors who shared their knowledge with delegates over the two days. Thank you for your ongoing support of FMANZ and the FM profession.

Congratulations to our Newest Professional Members

Congratulations to the following members who were approved into their new professional membership categories at Monday's in-person Board meeting at Cordis. They can start using their post-nominals as their badge of FM professionalism. Avikash Chandra, Certified (CFMANZ), Leon Joust, Member (MFMANZ), Jasmine Earnshaw, Member (MFMANZ), Shaun Hansen, Member (MFMANZ), Richard Jackson, Member (MFMANZ), Bryce Hosking, Member (MFMANZ), Celia Bowling, Associate (AFMANZ) and Anja Hess, Associate (AFMANZ). Find out more about professional membership [here](#).

Situations Vacant

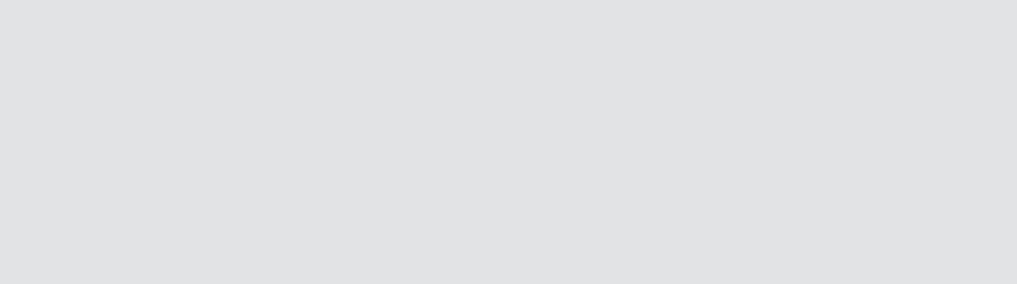

We have two new vacancies on our [Job Centre](#) page.

Ryman Healthcare is looking for a National Facilities Manager, based in either Christchurch or Auckland, to lead the national team that oversees the presentation and maintenance of 37 retirement villages in NZ. Applications close 1 August. Find out more and apply [here](#).

Whanganui District Council is looking for a Facilities Manager to support the management of Council-owned buildings and assist with administration, maintenance, contract and asset management duties. Applications close 18 July. Find out more and apply [here](#).
