

2022 NOMINATION FORM

SUSTAINABILITY & ENVIRONMENTAL IMPACT AWARD

Introduced this year, the Sustainability & Environmental Impact Award celebrates FM professionals who are making a difference by inspiring the FM industry to enhance the social, environmental and economic sustainability of the communities we live in.

This award recognises the implementation of innovative practices and/or processes that enhance the social, environmental and economic sustainability of FM operations in New Zealand.

- The nominee(s) may be an individual, team, company or consortium that has implemented a project and/or process(es) over the past year.
- The nomination must identify what sustainability means to all stakeholders and to the facilities management team and must relate to a broader sustainability agenda and achievements.

2022 NOMINATION FORM

ELIGIBILITY: NOMINATION

Nominees must predominantly be facilities management practitioners. For the purposes of this award, this includes any team that organises, controls and coordinates the strategic and operational management of facilities in public and private organisations to ensure the assets are fit for their intended purpose and operate efficiently.

- Nominations must be submitted on an FMANZ Awards nomination form appropriately covering all judging criteria, with a signed declaration.
- Nominees must have been an Individual or Corporate member of FMANZ for 12 months prior to their nomination being submitted. Team members (for Team, Company or Consortium nominations) shall be named, their roles detailed and the FMANZ membership status noted. Non-FM team members are not required to hold Individual FMANZ memberships (i.e. administration/support staff integral to the team nomination.) The award is an FMANZ award and the expectation is that the team is largely made up of FMANZ Individual/Corporate members – the judges' decision to accept/decline any nominations is final.
- Judges, awards committee members and board members are not eligible to enter.
- An individual may nominate only one person/organisation per year in each category.
- If shortlisted, you agree to send at least one representative to the Awards Gala Dinner at your own cost.

Note: The judges have the right, but are not obligated, to contact referees to validate any information supplied. References may be followed up where two or more nominees are ranked closely.

AWARD CRITERIA

CRITERION 1: THE ROLE AND RECOGNITION OF THE INITIATIVE

Describe the role of you/your team, how it fits within the wider organisation, and why the nomination should be recognised as the Sustainability & Environmental Impact Award of the Year. (250 words)
