Level 5	25	6	\$5,500	\$275.00
Level 6	30	7	\$6,500	\$275.00

Notes:

1. *Listed individuals are termed Corporate Staff Members (CSM)*
2. *Attendance at free events can be shared around the CSM's listed in the membership. If additional passes, above the allocated number, are required to attend, these can be purchased at non-member rates.*

Additional corporate staff members can be added throughout the year, with the membership fee adjusted on a quarterly basis if required. Upon membership renewal, the organisation's membership will be upgraded to the next level (e.g., from level 2 to 3 if they go from having nine corporate staff members to 14).

A listed corporate staff member can be replaced if that person leaves the organisation. However, altering listed corporate staff members' names for the purpose of securing lower event registration fees is not permissible.

Employees who aren't corporate staff members but who wish to receive FMANZ communications can sign up as 'prospective members' and pay non-member registration fees for events.

Corporate staff members can now achieve Certified Membership status without having to hold an individual membership.
